

Qu’ran (Koran) – statements considered to be revelation from Allah made by Mohammad between 609-632 while he was having seizures that were written down by scribes (Mohammad was illiterate) shortly before his death.

Hadith – second most holy book of Islam. Statements by Mohammad that were not revelation from Allah and stories about Mohammad that were written down 200 years after Mohammad died.

- Several compilations of this material was made
- Most authoritative is by al-Bukhari that is a collection of 600,000 quotes and stories about Mohammad.
- Al-Bukhari verified 7,000 as “genuine”
- Most came from Mohammad’s friends, family and 15 wives
- The Hadith was compiled while the Bible and Christian belief were still well known by the writers of the Hadith, which means much of the Hadith is a rewriting of the Christian thought.

Islamic End Time Teaching

Qu’ran contains very little eschatology other than referring to “the Hour” when history ends with the resurrection and judgment.

Hadith is the major source of Islamic eschatology.

- Difficult to piece together Islamic eschatology
- Pieces scattered throughout the Hadith
- Islamic scholars have not created a eschatological system (no charts, no diagrams)
- Dr. Samuel Shahid in “The Last Trumpet” makes the presentation that the major concepts of Islamic eschatology originate from the Old Testament, the New Testament and Zoroastrianism
- (Zoroastrianism - an ancient monotheistic religion from Iran that was used by the Persian Empires (Achaemenid, Parthian and Sasanian. The philosopher Zoroaster developed it when he simplified the pantheon of Iranian gods into two forces: Good and Evil. Or, progressive mentality called “Spenta Mainyu” and destructive mentality called “Angra Mainyu”. The creator Ahura Mazda is completely good.

True Christian Prophecy

Deceptive Islamic Prophecy

***Daabba** is an animal or creature that will appear in the end times. One of the Major signs. Comes from the earth with the ring of Solomon and the rod of Moses. He will destroy the nose of every unbeliever with the rod and write "kafir" (infidel) on their forehead. From the Koran Allah is quoted as saying: "When the word is fulfilled concerning them. We shall bring forth a Daabba from the Earth to speak unto them because mankind had no faith in our revelation. – Surah An-Naml 27.82
